SMDAM discloses the reasons for its objection to each resolution of both investee companies (domestic stocks) and investment corporations (J-REITs), or the main reasons in cases where there are multiple reasons for objection. SMDAM judges "approval" or "objection" based on its "Criteria for Determining the Exercise of Voting Rights".

SMDAM formulates and discloses "Criteria for Determining the Exercise of Voting Rights" to eliminate arbitrariness as much as possible and to realize appropriate corporate governance. SMDAM will continually review these standards in response to changes in the external environment

or engagements with investee companies/investment corporations, etc., and will strengthen its efforts to increase corporate value through the exercise of voting rights and active dialogue with investee companies/investment corporations.

[Proposals requiring explanation]

At the January to March 2023 meeting, SMDAM considers the following proposals to be particularly requiring explanation:

4324 Dentsu Group (Criterion concerning conduct that undermines public confidence)

SMDAM voted against the reappointment of two representative directors (Proposal 2: Second and third candidates) in light of the alleged antitrust violations of the Tokyo Olympic bidding business.

6406 Fujitec (Shareholder Proposals)

SMDAM considers Fujitec's governance and nominating system to be problematic. Accordingly, SMDAM voted against the management proposal for the election of directors (Proposal 1). On the other hand, SMDAM voted for the shareholder proposal for the election and dismissal of directors (Proposal No. 2 and Proposal No. 3), which is expected to strengthen the governance of Fujitec.
